Updated Petition Opposing Rezoning East End Apartment Complex:

Dear Terre Haute City Council Members,

There are now **280** who have signed this electronic petition indicating their opposition to the rezoning of the area near Deming Park.

We live on the city's east side and/or we recognize the importance and significance to Terre Haute of the area surrounding Deming Park. We strongly oppose the rezoning and the development of apartments on the 15-acre tract of land bordered by Adams Blvd., Poplar, and Fruitridge, aka Beau Monde, for the following reasons:

- * The construction of apartments will diminish the value and quality of the Ohio Boulevard-Deming Park Historical District - a community asset.
- * Over population will exacerbate existing traffic problems in the area. The area serves as a significant recreational area for walking, running, and biking.
- * Home values will decline with the increased traffic and with the increase in noise.
- * It boils down to a fundamental question of what we value as a community and a neighborhood.
- * Any development needs to mirror the character of the surrounding area, which currently means home ownership.
- * We do not wish to experience what Woodgate experienced, or is experiencing, as a result of the apartment complex that was placed next door to them. Our understanding is this complex resulted in a decrease in property values and an increase in burglaries and thefts, an increase in noise, and a litter/trash problem.
- * Renters simply do not demonstrate the same behavior in caring for property, as is demonstrated by homeowners.

Please do not rezone this location as an R-3.

Thanks you for your consideration of this matter.
